

CALL FOR ARTICLES

If your experience or research has produced information that could be useful to others, CROSSTALK can get the word out. We are specifically looking for articles on software-related topics to supplement upcoming theme issues. Below is the submittal schedule for two areas of emphasis we are looking for:

Systems: Fielding Capabilities

August 2005

Submission Deadline: March 21

Software Safety/Security

October 2005

Submission Deadline: May 16

Please follow the Author Guidelines for CROSSTALK, available on the Internet at www.stsc.hill.af.mil/crosstalk. We accept article submissions on all software-related topics at any time, along with Letters to the Editor and BackTalk.
